

Tre Filer

Vino Da Uve Stramature Dolce

The greatness of a sweet wine is measured by its capacity to retain the balance between sweetness, acidity and savouriness. Tre Filer manages to bring together all these with unexpected sensations. A warm, fragrant wine with hints of dry fruit and honey; persuasive and exciting, it brings with it all the sunshine of autumn. The mouth is enveloped in flavour but it is the acidity of the Turbiana that makes it exclusive, leaving the palate dry while allowing the sugary substances to fully do their job. Enchanting with blue-veined cheese but also with dry puff pastries and cream tarts.

Technical data

Vines used: Turbiana, Chardonnay and Sauvignon Blanc

Soil composition: limestone – clay

Cultivation system: Double Guyot for the Turbiana and spurred cordon for the rest

Planting density: 2.30 x 0.70
