

## *Cuvée dei Frati*

### *Dosaggio Zero*

*Our “Pas Dosé” Sparkling wine, produced from our indigenous white grape “Turbiana”, is fragrant, lighthearted and fun. The amount of stable acidity in this grape has convinced us to produce our classic method sparkling wine. The wine referments for about 36 months on fine lees enhancing its great finess. Fine and unrelenting perlage, yellow colour with golden reflections define the visual characteristics, while the nose is seduced by fragrant biscuit notes and fresh fruit and the palate enjoys the fresh acidity and the finish of toasted hazelnut. It is perfect as an aperitive as well as throughout a meal, perfect with sweet water fish, white meats and summerly salads. Serve at a temperature of 8° - 9° C.*
