

I Frati Privilegio di Famiglia

Lugana Doc Privilegio di Famiglia

The Lugana I Frati Privilegio di Famiglia represents a further expression of our wine over time, with an aging of 5 years in the bottle. This is the jewel in the crown, the wine that got us known and continues to be the image of the company. A direct thread can be traced back to its variety, the Turbiana, our native vine. Intended to be consumed as a vintage, it expresses the best of itself many years after bottling. When young, it is fresh, linear and furnished with great sophistication and elegance with delicate hints of white flowers, balsamic notes and traces of apricot. Time enables it to evolve, allowing the mineral notes to be expressed with greater determination, thereby acquiring its complexity with traces of iodates, spices and candied fruit. In the mouth, it is capable of enveloping the whole palate thanks to a significant savoury essence, accompanied by strong, exuberant acidity. When young, a serving temperature of around 10 degrees is preferable, with cold or warm – but delicate – starters and to accompany fish dishes, boiled, steamed or grilled.
